Subject: RE: OU2 Consent Order -Navy July 8 Response to NG Navy Cooperation Plan

Ed – are we getting a formal version of this? The attachment is on plain paper (no Grumman letterhead), unsigned and is not dated. Assuming that it is a formal submission, we will incorporate it into DEC's response to the Cooperation Plan in consideration of Navy's comments on the document. Thanks Jim H

Attached please find Northrop Grumman's response to the Navy's July 8th letter to the department in which we are responding to clarify a few points contained in that letter.

As always, Northrop Grumman remains ready and willing to coordinate and cooperate with the Navy and the Department on this and similar issues. Please do not hesitate to contact me, if you have any questions.
